INTRODUCTION

Aman Udyog is one the leading manufacturers of M.S. Worm Drive, S.S. Perforated Hose Clamps and other types of pipe clamps in India, catering to the domestic market, global market, and also to the reputed OEM's. The Company is promoted by a team of specialized engineers & technicians who has more than four decades experience in manufacturing of sheet metal components as well as in the precision engineering goods. It is because of our hardwork, leadership, relentless efforts and quality consciousness that the company is marching towards new heights and in continuously increasing its market share. Our team is the Spine of our unit.

PLANT FACILITIES

The plant is fully equipped with modern techniques, automatic machines and development wing for designing & manufacturing of tools, production with quality control facilities & supported by a team of highly skilled and motivated staff.

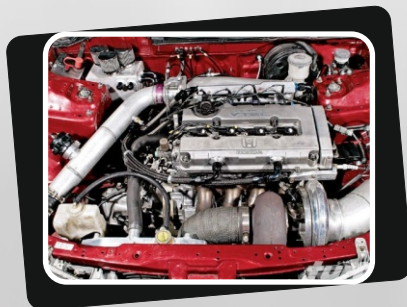

QUALITY ASSURANCE

Where quality is a matter of trust we have experienced technocrafts in the helm of affairs, slim and quick to change with the latest technology. Further the shop managers have also been specifically trained to produce quality products and follow the ISI Standards & B.S. Standards. The company has also obtained ISO 9001:2015 certification maintaining quality consistency.

APPROVAL LIST

The company is a regular supplier and on approved list of various reputed OEM's

**Automobiles
Industries**

**Generator
Sets**

Agriculture
